

SPARTAN TENNIS CAMP

FOR BOYS AND GIRLS ENTERING GRADES 3-8

Spartans Tennis Camps: This summer, I (Coach Winkle) will be offering two sessions of Spartan Tennis Camps. I began coaching Superior High School tennis in the fall of 2013. Since then, I've coached seven total seasons of boys and girls tennis. One phrase I keep hearing over and over from my players is, "*Wow, tennis is really fun. I had never really thought about playing before. Now, I wish I'd started when I was younger!*"

These camps are designed to introduce the next generation of kids to tennis. Tennis is a game that promotes fitness, athleticism, problem solving, and confidence. At the camp, we will have *fun* while learning *fundamentals*. Kids will participate in drills and games, and will take home a few tools to continue playing on their own.

Instructors: I will be leading the camps with the help of current and former SHS players and perhaps a few other local tennis teachers and enthusiasts!

Where: Superior Middle School Courts

Cost: \$20 per session (\$5 off of Session 2 if player signs up for both sessions). All proceeds from the camp will be invested in the camp itself and/or the SHS tennis programs.

The Camps: Two separate camps will be offered: Both will run Monday-Thursday; the first in the afternoon, and second in the morning.

SESSION 1: June 26-29 (1:00-2:00pm grades 3-5) (2:05-3:05pm grades 6-8)

SESSION 2: July 10-13 (8:00-9:00am grades 3-5) (9:05-10:05am grades 6-8)

CONTACT: For any questions please email me at: mark.winkle@superior.k12.wi.us

REGISTRATION: Participants should register according to the grade they will be entering the next school year. In order to plan most effectively I ask that forms be mailed no later than Friday, June 16th.

- *Each participant should bring racket, water bottle, and athletic shoes.*
- *The camp will not be held on days weather does not permit.*

"This flyer is distributed as a courtesy to families in the School District of Superior; however, distribution does not imply that the School District endorses or approves the activities or viewpoints promoted in these materials."
